FOR IMMEDIATE RELEASE

**Ashburn, Virginia – August 2011** – MCW Solutions, an Ashburn, VA based technology integration firm specializing in Audio/Visual, Security, Structure Wiring, and IT Services opened the long awaited Columbia, MD office in July of 2011 to help extend the MCW brand and capacities into the Baltimore, MD area.

The new Columbia office bundled with the Texel purchase provides MCW with a springboard to serve the Maryland market place and creates an un-paralleled value position for clients in Maryland, Delaware and Pennsylvania.

“We are very excited about the opening of the new location; MCW now has offices in Ashburn, VA and Columbia, MD, providing a higher level of customer service and satisfaction to our clientele throughout the Mid-Atlantic area.” says MCW Solution’s Principal Michael Burnstein

MCW was founded in 2003 to meet the demand for a single integrator to provide turnkey systems in support of Telecommunications, Security and Audio/Video applications. MCW's methodology starts at the physical layer on the technology stack with structure wiring and moves through all phases, including the transportation and IT application layers, providing seamless Security/Access Control / CCTV, and Pro-A/V solutions.
